

The following request is needed to complete a preliminary environmental site assessment for a proposed infrastructure redevelopment project for the Illinois Department of Transportation (IDOT).

I'm only requesting releasable documents related to site investigations, site characterization, remediation activities, subsurface sampling, and maps of the site area. No legal documents are needed. I am only requesting releasable documents from your Superfund Enterprise Management System (SEMS). I DO NOT need files from the Federal Records Center or unreleasable documents. No RCRA information is needed. I only need records from the superfund division or from superfund records. I will accept any records with redacted information as non-responsive to my FOIA request.

I only need any new records added to the file after March 15, 2016.

USEPA ID# ILD060360898 – Green Valley Landfill, 9S610 Green Road, Naperville, IL.

Thank you and please do not hesitate to call me at (217) 300-2996 if you have any questions about this request.

Sincerely,
